

HIDEAWAY® BINS

24 MONTH WARRANTY

All Hideaway Bins manufactured by Kitchen King Limited, a New Zealand registered company, are covered by a warranty which gives the purchaser protection against defective or faulty manufacture.

This Hideaway Bin is warranted to be free of defects in material and workmanship and to be in perfect working order at the time of purchase.

If the Hideaway Bin should, for any reason, become defective within the first 12 months of purchase, this warranty will cover both the parts and labour. Should the Hideaway Bin become defective between 12-24 months, this warranty will cover parts only. All labour will be charged at the going labour rate set by Kitchen King Limited and will be agreed upon with the customer before work is entered into.

This warranty does not cover Hideaway Bins which have not been installed in accordance with the "Installation Instructions" or cared for in accordance with the "Care and Maintenance Instructions" supplied with the Hideaway Bin at time of purchase or has been exposed to loads in excess of specifications, damages caused by accident, alteration, abuse or misuse or used for purposes other than that for which they are intended. There are no other warranties other than those set forth herein. Kitchen King Limited reserves the right to reject any warranty claim in the event that it is determined by Kitchen King Limited that any of the above circumstances giving rise to damage applies.

All products must be shipped to Kitchen King Limited or the local supplying distributor for assessment. A duty of care is required that all Hideaway Bins shipped to the manufacturer are done so within a box or container that suitably protects the product from further damage during shipping. All freight must be paid by the purchaser; freight will be reimbursed in the event of an accepted warranty claim.

Proof of purchase must be supplied with the warranty claim.

All expenses for repairing or replacing the product, including the cost of shipping it back to the original purchaser will be covered by the manufacturer in the event of an accepted warranty claim.
